At registration, each spectator was handed a welcoming pack which included a Springbok jacket, Springbok beanie and personalized name tags. The party bus departed and a festive atmosphere was immediately present with rugby songs blazing over the party bus sound system. On arrival close to Ellispark everyone was treated with a braai for lunch, before stocking up and warming up to go and spectate some awesome Springbok magic.

Sponsored biltong packs enjoyed on the stands was also an order of the day. The atmosphere on the stands was electric and something that needs to be experienced. After an emphatic Springbok victory, everyone once again was treated to a braai for dinner.

With 71 man hours by our members to make this event possible we manage with our sponsors help to raise **R10 800** which will be donated to The Child Witness Foundation.
